

# ELEMENTARY STEM SHOWCASE

THURSDAY, JULY 25TH, 2019 • 10:30AM–12 NOON  
EXHIBIT HALL, MOSCONE CENTER WEST

## WHAT IS THE EVENT ABOUT AND WHO ATTENDS?

The Elementary STEM Showcase attracts over 500 attendees from across the United States. It brings together more than 30 leaders in STEM education who will showcase a variety of preK–5 STEM teaching strategies and resources. Featured resources include:

- NSTA Press® books
- Award-winning books from the Best STEM Books list
- Strategies from the NSTA preK–5 journal, *Science & Children*
- NGSS connections to student experiences

Participants will engage in hands-on activities and interact with presenters about STEM investigations during this sharing experience.

## WHAT GROUPS SHARE RESOURCES AT THE SHARE-A-THON?

- Grand Valley State University
- Isidore Newman School
- National Geographic Society
- Penn State University
- University of Washington

And many more!

Forum & Expo  
HOSTED BY NSTA

## WHY SPONSOR

Sponsoring the event places your organization in front of 500+ attendees specifically involved with STEM education at the elementary level. In addition, your team will be able to directly interact with attendees to demonstrate thought leadership. Complete benefits include:

- Table provided at the Showcase for sponsor to conduct a hand-on demonstration
- Logo on event signage, event program, sponsorship page of conference program, conference website and App
- Sponsors will be thanked and acknowledged by Master of Ceremonies for their sponsorship
- Opportunity to provide door prize for the event
- Option to provide a coupon requiring a visit to sponsor exhibit booth for redemption

## SPONSORSHIP COST \$750
