

FETC 2024 RFP
How To Add A Co-Presenter To A Proposal

There are 2 ways to add a co presenter to a FETC proposal.

1. You can add a co-presenter at the end of the application process when you are reviewing the final version before hitting submit by using the + icon next to the proposal title.

FETC 2024 Request for Proposals

Review Information

Please check your proposal and presenter information below.

- If you are a Submitter only, you **must** add your presenters here!
- Click the **Submit** button to send your completed proposal for application review.
- You must have at least one presenter listed below to submit.

 Remove Presenter

OR after the proposal is submitted you can add a co-presenter in the Proposal Service Center.

2. Login to the Proposal Service Center (https://s6.goeshow.com/fetc/annual/2024/proposal_service_center.cfm)

At the first screen, select the Edit Abstract icon button.

Proposal Edit

Proposals must be finalized and submitted by June 5, 2023 @ 11:59 PM ET in order to be considered for acceptance. Proposals listed as "Working" will not be reviewed.

Edit or Submit your proposal(s) below.
