

POSTER PRESENTATIONS

Saturday, April 20–Monday, April 22

Poster Presentations Forum Ballroom

HSPA invites you to meet our poster presenters for discussions on the data they are providing. The dates, times, presenters and poster topics are listed below.

Saturday, April 20

11:45 a.m.–12 p.m.

Jonathan Wilder, Quality Processing Resource Group, LLC
Building a Safety Margin into Your Washer Processes

Sunday, April 21

12–12:15 p.m.

Hyun Hee Park, National Health Insurance Service Ilsan Hospital
Adenosine Triphosphate Bioluminescence for Assessing the Efficacy of Cleaning Procedure During the Reprocessing of Surgical Instruments

Jeffrey Boja, Wellstar MCG Health
Immediate Use Steam Sterilization (IUSS) Reduction in the Adult OR

Megan Goffredo, Olympus Corporation of the Americas
Mitigating Microbial Contamination: A Comparative Study of Sampling Approaches

David Jagrosse, David Jagrosse Consulting, LLC
Reprocessing Sharps and Complex Surgical Instruments: A Look at the Potential Impacts on Staff, Patient Safety and Production in Sterile Processing

Leslie Kronstedt, Riverhill Dental
The Sterile Processing Nurse Manager: Navigating Patient Safety and Compliance with the Nursing Process

12:30–12:45 p.m.

Lorraine Floyd, Johnson & Johnson
5 Whys of a Hospital Acquired Infection (HAI)

Cory Fields, Olympus Corporation of the Americas
Duodenoscope Reprocessing and Time: Observational Trends from a National Microbial Surveillance Study

Lisa Pawlowski, Cheyenne VAHCS

Implementing an Evidence-Based Bundle for Point-of-Use Instrument Care to Reduce Surgical Site Infection Rates in Operating Room Patients

Benjamin Lawler, Ohio State University Wexner Medical Center

Lean Improvements in Surgical Instrument Processing: A Project Intervention for an Ambulatory Surgery Center Using On-Site and Off-Site Processing

Randalyn Walters, Belimed Infection Control

Safety First: An SPD Leader's Role in Care

Nisheka Germany, Northside Hospital Atlanta

Shelf Life of Hospital-Processed Items: A Cycle of Continuous Improvement

Monday, April 22

11:30–11:45 a.m.

Nanthipha Sirijindadirat, Central Sterilizing Services Association of Thailand
Everyone Knows

Kimberly Wright, VA St. Louis Healthcare System
Project Co-Pilot (HRO Application System Redesign & Process Improvement)

Angus Bruce, Boston Children's Hospital
Reducing Kit Defect Rate in the Sterile Processing Department

Pawitree Sukket, Siriraj Piyamaharajkarun Hospital
Right Inner Tube, Right Patient, Right Department

Angela Salmen, UofL Health
Standardizing Saves

Scotty Jones, Sterile Geeks VR
Using Mixed Reality Technology to Fight Dirty in Hospital Sterile Processing Departments

12:15–12:30 p.m.

Dannie Smith III & Amina Omara, The Valley Hospital
Five-Year Cultural/Process Improvement in One!

Lisa McKown, Beyond Clean and DNV Healthcare
Process Indicator Model

Debora Popov, SOBECC–Brazilian Association of Perioperative Nurses
Surgical Instrumental Management Course and Workshop From SOBECC–Brazilian Association of Perioperative Nurses: Impacts on Nurse Practice

Erin Ehler, Ohio State University Wexner Medical Center
The Novel Role of a High-Level Disinfection and
Ambulatory Sterilization Analyst

Kimberly Wright, VA St. Louis Healthcare System
Wet Tray? What To Do?

12:45–1 p.m.

Withaya Chanchai, Healthmedic Innovation Academy
A Study on the Shelf Life of Sterilized Products Based
on Non-Woven Wrapping Material

**Daniela de Oliveria Canelas, Hospital Israelita
Albert Einstein**
Advancing Surgical Patient Care: The Role of
Clinical Engineering at the Central of Sterile
Supply Department (CSSD)

Vinicius Bezerra, Hospital Israelita Albert Einstein
Impactful Experience: An Account of a Health Brigade
for Foot Deformity Surgeries

Mary Collazo, Cooperman Barnabas Medical Center
Transesophageal High Level Disinfection
Reconciliation: Tracing Documentation
Back to the Patient

**Debora Popov, SOBECC–Brazilian Association of
Perioperative Nurses**
Vba Tool Implementation Process for
IMD Management in a Central Sterile
Supply Department

1:15–1:30 p.m.

**Sarah B. Cruz & Michael Snow, Hartford Healthcare
Bone & Joint Institute**
Diversifying Sterility Barriers Results in Cost Savings

Jamie McGloin, Beth Israel Deaconess Medical Center
Eye Wish This Was Easier! Reprocessing Challenges in
an Outpatient Ophthalmology Clinic

**Horlando Cintron, Memorial Sloan Kettering Cancer
Center Monmouth**
High-Level Disinfection of Duodenoscopes

Jill Holdsworth, Emory University Hospital Midtown
Perceptions vs. Reality: Hand Hygiene Compliance
in the SPD

**Debora Popov, SOBECC–Brazilian Association of
Perioperative Nurses**
Preparation of a Manual of Good Practices for
the Management of Implantable Medical Devices
in the Brazilian Association of Perioperative
Nurses–SOBECC

**Jeremy Thompson, The University of Kansas
Health System**

Sterile Processing Internship Program Development,
Accreditation and Successful Growth Post-Graduation

Emmalin Murray, VA Healthcare Systems
Why Do We Even Need PPE?

1:45–2 p.m.

Christopher Chisholm, Independent
A Journey Through Time

Withaya Chanchai, Healthmedic Innovation Academy
Evaluation of the Chemical Performance of Physical
Indicators in the Sterilization Process Under the
Operation of the Pre-Vacuum Pump System of the
Steam Sterilizer

Patrice Williams, Endeavor Health
Instruments Lost and Found

**Deannard Esnard, Corporal Michael J. Crescenz
VA Medical Center**
Philadelphia VA Roadmap to Successful
Sterile Processing Services

Vinicius Bezerra, Hospital Israelita Albert Einstein
Traceability of Orthoses, Prostheses and Special
Implantable Materials Processed at Material and
Sterilization Center

Divina Abella, VA Palo Alto Health Care System
Veterans Affairs Palo Alto Health Care System
(VAPAHCS) Sterile Processing Design Model

2:15–2:30 p.m.

Alessandra Gonçalves, Hospital Israelita Albert Einstein
Journey of Colors: A Playful and Creative Method of
Education at the Material and Sterilization Center

**Christopher Chisholm, New York-Presbyterian Hospital
NYP** Shaping the Future

How'dy Villano, Cedars-Sinai
Optimizing Tray and Instrument Inventory

**Deannard Esnard, Mid-Atlantic Central
Service Association**
The History of the MACSA Chapter
