DISCLOSURE

In compliance with continuing education requirements, all presenters must disclose any financial or other associations with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters as well as any use of unlabeled product(s) or product(s) under investigational use.

CDC, our planners, presenters, and their spouses/partners wish to disclose they have no financial interests or other relationships with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters with the exception of

Dr. Celum and she wishes to disclose that she is a Consultant with Gilead Sciences, Merck; and **Dr. Cu-Uvin** who wishes to disclose that she led a learning module on HIV and Pregnancy for Clinical Care Options; and **Dr. Hillier**, who wishes to disclose that as a consultant she has received research funding from the University of Pittsburgh from Becton-Dickinson; and **Dr. Kellam** who wishes to disclose that she serves as a SME for HIV and health disparities for VMG; and **Dr. Tuckson** who wishes to disclose that he is a Consultant at Tuckson Health Connections that provides occasional consulting on substance abuse treatment and occasional speeches on topics of health reform and digital health care delivery; and **Dr. Wade** who wishes to disclose that she receives royalty as a book author, and agrees not to promote her book during the keynote.

Planning committee discussed conflict of interest with **Drs. Celum, Cu-Uvin, Hillier, Kellam, Tuckson** and **Wade** to ensure there is no bias.

Presentations will not include any discussion of the unlabeled use of a product or a product under investigational use with the exception of **Dr. Robert Garofalo's** reference to medical treatment for transgender health care.

CDC did not accept commercial support for this continuing education activity.
