Monday, September 14, 2020

1:00 PM - 2:00 PM
*Racism as a Public Health Issue*
MODERATOR: TBD

- Addressing Racism in Public Health through Organizational Culture Change
  *Aletha Maybank*

- Impact of racism in public health: STDs and Sexual Health
  *Leandro Mena*

Panel, Live

2:00 PM - 3:30 PM
*COVID-19 and STI Prevention: A Panel Discussion*
MODERATOR: TBD

- COVID-19 101
  *Jeanne Marrazzo*

- Impact of COVID-19 on Sexual Behavior and STD Incidence
  *Katy Renfro and Hillard Weinstock*

- Impact of COVID-19 on STD Services
  *Hilary Reno and Sue Blank*

- Contact Tracing During COVID-19
  *David Harvey*

- Sexual & Health Messaging: Lessons Learned from HIV Prevention
  *Julia Marcus*

Panel, Live

4:00 PM - 5:00 PM
*OPENING PLENARY - Naked and Afraid: Why We May Need to Disrobe and Expose Flawed Systems, Institutions, And People If We Are Serious About Disrupting STI Epidemics and Disparities in Sexual Health*
*David Malebranche*

Plenary, Live

*All times are Eastern Standard Time.*
Tuesday, September 15, 2020

11:00 AM - 12:00 PM
A PEP Rally for Biomedical STI Prevention

PrEP & STI PEP
Connie Celum

STI Vaccine Development
Jeanne Marrazzo, MD, MPH

Plenary, Live

1:00 PM - 2:00 PM
Data Communication/Visualization

Best Practices for Communicating Behavioral Health Topics for at Risk Populations
Glen Nowak

Better Data Communication
Jonathan Schwabish

Communicating Scientific Information Through the Media
Maryn McKenna

Mini-Plenary, Live

Pelvic Inflammatory Disease

Biomarkers for Diagnosing PID: Where Are We?
Sharon Hillier

Current Etiology & Potential Sequelae
Kristen Kreisel

Does Screening for Chlamydia Impact the Incidence Of PID?

Agenda as of Friday, July 24, 2020
2:00 PM - 2:30 PM
Gonorrhea Transmission Through Kissing Is Common

Con
Harrell Chesson

Pro
Christopher Fairley

2:30 PM - 3:30 PM
Whether to Universally Screen All Adolescent for Chlamydia, Gonorrhea, Or Only Screen If Report Sexual Activity in Sexual History?

Con
Natalie Neu, MD, MPH

Pro
Gale Burstein, MD, MPH

4:00 PM – 5:00 PM
Meet the Experts
(Pre-Registration is required. Limited space available. Details regarding registration are forthcoming.)
Wednesday, September 16, 2020

11:00 AM - 12:00 PM
Big Data and Big Dates: Today’s High-Powered Analytics and Hook-Up Culture

Big Data
Philip Wolf

Hook-Up Culture
Lisa Wade, PhD

Plenary, Live

1:00 PM - 2:00 PM
Policy & Sexual Minorities

Reaching Transgender Populations
Rob Garofalo

Risk Talk
Kyle Bernstein

School Bullying (LGBTQ)
Dorothy Espelage

Mini-Plenary, Live

STI Care

Rolling Out Telemedicine for STI Care
Kenneth Mayer

STI Care in Non-STI Settings
Chad Hendry

STI Care in Rural Areas
Wiley Jenkins

Mini-Plenary, Live

Agenda as of Friday, July 24, 2020
2:30 PM - 3:30 PM
Current Social Crises & STI: Incarceration and Drug Use
- Incarceration
  Kim Blankenship
- Substance Use with Focus on Polydrug Use
  Steffanie Strathdee

Plenary, Live

4:00 PM – 5:00 PM
Meet the Experts
(Pre-Registration is required. Limited space available. Details regarding registration are forthcoming.)
Thursday, September 17, 2020

11:00 AM - 12:00 PM
Health Policy in the Context of Inequity and STI Disparities

How Do We Make Access to Care Better for Marginalized Populations?
Reed Tuckson

If Not Now, When? Addressing Racism and Health Inequity
Cynthia Kellam

Plenary, Live

1:00 PM - 2:30 PM
Clinical Case Series

A case of tertiary syphilis: aortitis and tabes dorsalis
Aaron Kofman, MD

Acute Hepatitis A and HIV Pre-exposure Prophylaxis (PrEP): A Case Report
Pei-Chi Chung, MD, MPH

Clinical Congenital Syphilis in the Wake of Adequate Maternal Treatment
Amanda Reich, MPH

Rare Demonstration of Presumptive Luetic Brain Aneurysm with Novel Intracranial Vessel Wall Magnetic Resonance Imaging
Wajih Askar, MD

Live

2:30 PM - 3:30 PM
App-based Dating Increased STD Risk

Con
Lisa Hightow-Weidman

Pro
Dan Wohlfeiler, MJ, MPH

Debate, Live

2:30 PM - 3:30 PM

Agenda as of Friday, July 24, 2020
Should We Abolish the Traditional Metrics for Syphilis Partner Services?

Con
Tom Peterman

Pro
Matt Golden

Debate, Live
Friday, September 18, 2020

All Symposia Sessions are Pre-Recorded. Please review before attending the Live Q&A.

2:30 PM - 2:50 PM
Increases in Congenital Syphilis: perspectives from around the nation Symposium Live Q&A

A Tale of Two Epidemics: Congenital Syphilis in the Southeastern United States
James Matthias

A Tale of Two Epidemics: Congenital Syphilis in the Western United States
Rebecca Scranton

National Trends in Congenital Syphilis
Virginia Bowen, PhD, MHS

Successes and Challenges: The Louisiana Experience
Chaquetta Johnson

Roles and Opportunities in Prevention and Care for Adolescents Symposium Live Q&A

Adolescent-Focused Data to Action: Using YRBS Data for STD Prevention
Mike Underwood

Continuity of Care and Prevention for Youth: The Transition from Dependence to Independence for Healthcare
Joanne Brown

Reaching Transgender Youth with Sexual Health Services
Rob Stephenson

Sexual Health Counseling to Reduce Risk in Adolescents and Young Adults: Details Drive Success
Michele Tropper

Antimicrobial Resistance Symposium Live Q&A

Evolving Approaches and New Antibiotics for Treating Gonococcal Resistance
Stephanie Taylor, MD

The Latest from the 2020 CDC Treatment Guidelines
Laura Bachmann

U.S. Multi-Jurisdiction Surveillance for M. genitalium

Agenda as of Friday, July 24, 2020
Lisa Manhart, PhD, MPH

Update on U.S. and Global Gonococcal Resistance Patterns
Sancta St. Cyr

Measuring Program Success Symposium Live Q&A
CDC perspective: Challenges and Successes
Marion Carter

Defining and Measuring Success for STI Surveillance: Local Program Experiences
Erica Samoff

Metrics Around Successful Partner Services (linkage to and monitoring PrEP/HIV care)
Julia Dombrowski, MD, MPH

Successes and Challenges from A Long-Running STI Screening Program in A Correctional Setting
Ank Nijhawan, MD, MPH

3:10 PM - 3:30 PM
Missing the Point: When will point-of-care STI testing be available for primetime? Symposium Live Q&A

Cecilia Kretz

Considerations for Implementation of Point-Of-Care Testing in Real-World Settings (DIS, community-based, and clinical settings)
Bobby van der Pol

Successes and Challenges of Point-Of-Care Syphilis Testing
Jeff Klausner

Where We Are with Point-Of-Care STI testing (Update on different tests)
Charlotte Gaydos, DrPH

Network Science: Unraveling and harnessing the mystery of STI transmission networks Symposium Live Q&A

Costs Associated with Incorporation of Network Approaches into STD Program Activities
Andres Berruti, PhD, MA

How Network Data Contribute to Understanding the Epidemiology of STI Transmission
Jacky Jennings

Agenda as of Friday, July 24, 2020
Successes and Challenges Understanding Sexual Networks Where Antibiotic Resistance Gonorrhea Is Emerging
Emily Learner, PhD, MPH

The Contribution of Enhanced Partner Services to Understanding Networks Among Sexual and Minority Patients
Preeti Pathela, DrPH, MPH

3:30 PM – 3:50 PM
Clinical Uncertainties A Symposium Live Q&A

Metronidazole Allergic Patients with Trichomonas
Christina Muzny, MD, MSPH

The Role of HSV Serologies
Christine Johnston, MD, MPH

Treating Resistant BV
Susan Tuddenham

Treating Resistant Mycoplasma genitalium
Will Geisler

Reframing Sexual Health with Innovative Policy Symposium Live Q&A

Access to Care for the LGBT Community
Kellen Baker

Laws that Affect Transgender Access to Care
Noah Lewis

Local Policies to Improve STD Care
Michael Kharfen, BA

Providing Culturally Competent Care to LGBT Populations in A Large Healthcare System
Michael Horberg

3:50 PM - 4:10 PM
Clinical Uncertainties B Symposium Live Q&A

Ceftriaxone-Allergic Patients With PID: What Are the Outpatient Options?
Katherine Hsu

Diagnosing Neurosyphilis: Challenges and Future Approaches
Christina Marra

Agenda as of Friday, July 24, 2020
Optimal Duration of Antibiotic Therapy for Symptomatic and Asymptomatic Rectal Chlamydia Infections
Stephen Jordan, MD, MPH

Treating Pregnant Women with Syphilis When Penicillin Is Unavailable: Are There Alternate Options?
Jeanne Sheffield

**Paying for STD Care and Evaluating the Outcome Symposium Live Q&A**

Everything Cannot Be A Priority: Gaps and Opportunities in STD Program Evaluation
Thomas Bertrand

Implementing Sustainable Models of STD Care
Philip Chan, MD, MS

Improving STD Prevention Through 340B
Stephanie Arnold Pang

Medicaid Coverage of STD Services
Naomi Seiler

4:10 PM - 4:30 PM
**Congenital syphilis (interventions/response focus) Symposium Live Q&A**

A Framework for Classifying Missed Opportunities for Congenital Syphilis Prevention to Promote Mandated 3rd Trimester Testing
Jennifer Slutsker, MPH

In-home Syphilis Testing/Treatment
Chaquetta Johnson

Unstable Housing/Drug Use for Congenital Syphilis Intervention
Dominika Seidman, MD MAS

Using Incident Command Structure to Respond to Increases in Female Syphilis and Avert CS Cases in San Francisco
Susan Philip

**Genomics and STIs for Dummies Symposium Live Q&A**

Genomics and Antimicrobial Resistance in Neisseria gonorrhoeae
Yonatan Grad

STIs and the Microbiome
Rebecca Brotman
The Impact of Genomic Data on STI Surveillance
Bob Kirkcaldy

The Use of AMR Testing When Treating M. Genitalium: Luxury or necessity?
Jørgen Jensen
Monday, September 21, 2020

1:30 PM - 2:15 PM
National Strategies Panel (STD, HIV, CARB)
MODERATOR: Gail Bolan

  STI Plan
  Carol Jimenez

  HIV Plan
  Harold Philips

  CARB Plan
  Jomana Musmar

Panel, Live

All Oral Sessions are Pre-Recorded. Please review before attending the Live Q&A.

3:00 PM - 3:30 PM
Data-Driven Approaches to Improve STI Screening and Treatment of Adolescents and Young Adults Oral Session Live Q&A

Sex and The CT (Chlamydia Trachomatis): Developing A Paradigm to Interpret Chlamydia Screening Coverage and Positivity Data Among Women Aged 16-24 To Inform Quality Improvement, New York City, 2019
Diana Sanchez, PHD, MPH

It May Be Working -- Longitudinal Data from The Philadelphia High School STD Screening Program (PHSSSP), 2003-2018
Felicia Lewis, MD

Modeling the Impact of Screening Young Men for Chlamydia Trachomatis on The Prevalence in Women
Zhoulin Qu, PHD

Annual STD Testing Among Sexually Active High School Students: First National Estimates from the 2019 Youth Risk Behavior Survey
Nicole Liddon, PHD
Sexual Health Education Policy Change in California Secondary Schools: An Implementation Analysis of The California Healthy Youth Act (CHYA)
Nina Oberman, MPH

Swimming Upstream: How can We Improve Outcomes for Female and Congenital Syphilis?
Oral Session Live Q&A

Anne Kimball, MD, MPH

Six-To-Eight-Day Treatment Intervals for Unknown Duration or Late Syphilis During Pregnancy May Not Require Additional Infant Evaluation for Congenital Syphilis at Delivery
Brandon Imp

Reported Syphilis Reinfections During the Same Pregnancy — Florida, 2018
James Matthias, MPH

Rising Rates of Syphilis Among Cisgender Women and Risk Factors Associated with Pregnancy at Diagnosis, King County, WA 2008-2019
Anna Berzkalns

Evaluation of Drug Use-Related Behaviors Among Females Diagnosed with Early Syphilis, New York State (Excluding New York City), 2013–2018
Fanta Drame, BS

3:30 PM - 4:00 PM
Get PrEPped for STI Prevention Oral Session Live Q&A

A Novel STI-Prep Linkage Program in The Emergency Department
Taryn Ketels, RN, BSN, AGACNP

Initiation of Doxycycline Pre-Exposure Prophylaxis in Patients Attending an HIV Prep Clinic – Philadelphia, 2019
Stefy Joseph, MPH

Assessing Sexual Risk Compensation Among Prep Clinic Clients, Washington, DC, 2016-2019
Kate Drezner, MPH

A Biobehavioral Intervention for Prep Uptake Among High-Risk Men Who Have Sex with Men
Philip Chan, MD, MS

Geographic Disparities in Consistent Bacterial STI Screening Among U.S. Men Who Have Sex with Men in Prep Care, 2017-2019
Christina Chandra

Agenda as of Friday, July 24, 2020
**Novel Developments in STI Diagnostics and Testing Oral Session Live Q&A**

30 Minutes to Results: Rapid Molecular CT/NG Testing in Clinical Sites Is A Reality
*Alexander Boutwell, MA*

Evaluation of Neisseria Gonorrhoeae Culture Yield in Strengthening US Response to Resistant Gonorrhea (SURRG): Effects of Anatomic Site and Time to Specimen Collection After Initial Diagnosis
*Evelyn Nash, PhD*

Establishing Novel Molecular Assays to Predict Decreased Susceptibility to Ceftriaxone in N. Gonorrhoeae Infections
*Eric Lin, BS*

*Karen Schlanger, PhD, MPH*

Low Home STI Kit Return Rates: A Qualitative Exploration of MSM User Experience, Motivation, And Barriers to Home Testing
*Sarah Wiatrek, MPH*

4:00 PM - 4:30 PM
**DxRx of GC and CT Oral Session Live Q&A**

Differing Antibiotic Resistance Profiles by Azithromycin or Ceftriaxone Susceptibility Status Among Neisseria Gonorrhoeae Isolates, King County, Washington, 2017-2020
*Christina Thibault, MPH*

Gonorrhea Treatment Failure Surveillance in Illinois
*Marguerite Smith, MS, MPH*

Extragenital Testing Increases Case Detection of Gonorrhea and Chlamydia: The Impact of Implementing Nucleic Acid Amplification Testing
*Dara Spatz Friedman, PhD*

Test of Cure Visit Return Rate Among Patients Infected with Neisseria Gonorrhoeae Identified as Having Reduced Susceptibility to Ceftriaxone, Cefixime Or Azithromycin, Strengthening U.S Response to Resistant Gonorrhea (SURRG), United States, 2018
*Karen Schlanger, PhD, MPH*

Extragenital Cultures from Women and Men with Opposite-Sex and Same-Sex Sexual Exposure Are Important for Antibiotic-Resistant Gonorrhea Surveillance
*John Pfister*
Health Department Interventions to Advance STI Control Oral Session Live Q&A

Enhancing Local, State, And Federal Preparedness: Antibiotic-Resistant Gonorrhea Emergency Response Tabletop Exercises, Marion County, Indiana And Champaign-Urbana, Illinois, 2019
Karen Schlanger, PhD, MPH

Overuse of Ceftriaxone for Syndromic Management of Urethritis in Men
Ashaur Azhar, MD

STD and HIV Clinical Services Offered at Safety Net Clinics in Ending the HIV Epidemic (EHE) Vs. Non-EHE Counties
Jami Leichliter, PhD

Epidemiologic Treatment of Contacts to Neisseria Gonorrhea and Chlamydia Trachomatis Infection in STD Clinic Patients in Seattle, WA 1994-2018
Emily Rowlinson, MPH

Incorporating Transgender-Inclusive Sexual Anatomy and Gender-Affirming Medical History Questions in A Computer-Assisted Self-Interview Intake Questionnaire at The STD Clinic in Seattle, WA
Diana Tordoff, MPH
Tuesday, September 22, 2020

All Oral Sessions are Pre-Recorded. Please review before attending the Live Q&A.

3:00 PM - 3:30 PM
Approaches to Expanding Access to Sexual Health Services for Women Oral Session Live Q&A

- Piloting Rapid Syphilis Testing to Identify Syphilis Among Women Experiencing Homelessness In San Francisco, 2019
  Alyson Decker, MPH, MS

- Quickstart-Ing Contraception At New York City Sexual Health Clinics, 2019
  Addie Crawley, MPH

- Paired Testing of Sexually Transmitted Infections with Urine Pregnancy Tests in Incarcerated Patients
  Christine Dang, BS

- No Place Like Home: The “I Know” Program and The Rewards of Home STD Testing
  Harlan Rotblatt, BA

- Public Health Detailing as A Promising Strategy to Address Congenital Syphilis in Los Angeles County, 2018
  Melissa Papp-Green, MPH

Targeted STI Intervention Strategies for Adolescents and Young Adults Oral Session Live Q&A

- Community Engagement and Intervention Design: Working With LA County Faith Communities to Promote STD Prevention, Testing and Treatment Among Youth
  Valerie Coachman-Moore, MPH

- HIV Prevention Strategies in Texas: A Condom Distribution Program
  Adrienne Henze, BS

- Improving Sexual Health Self Efficacy for Young Women Through Gender Transformative Violence Prevention
  Ashley Hill, DrPh, MPH, BS

- Predicting the Impact of Sexual Behavior Change on Adolescent STI In the US And New York State: A Case Study of The Teen-Sparc Tool
  Steven Goodreau, PhD

Agenda as of Friday, July 24, 2020
An HIV/STD Intervention for Rural Youth: Examining Depression as A Moderator of Intervention Effects
Julia Brasileiro, MPH

3:30 PM - 4:00 PM
Addressing the GAP: Improvements in STI Care and Prevention in Transgender and Gender Diverse Population Oral Session Live Q&A

Understanding How Gender Identity Is Collected and Reported for Cases of Nationally Notifiable STDS
Steve Evener, MPH

Estimating Sexually Transmitted Infection Rates Among Transgender and Gender Non-Conforming/Non-Binary Persons In New York State (Excluding New York City), 2015-2017: A Population-Level Analysis
Manjiri Joshi, MPH

Sexually Transmitted Disease Testing Among Transgender Women Living with HIV In the United States: Medical Monitoring Project, 2015–2017
Katherine Town, PhD

Prevalence and Predictors of Genital and Extragenital Chlamydia And Gonorrhea Among Transgender Women in HIV Care in The United States (2005-2016)
Olivia Van Gerwen, MD, MPH

Anatomic-Site Specific STI Testing and Screening Among Transgender and Non-Binary Patients Attending the STD Clinic in Seattle, WA
Diana Tordoff, MPH

Novel Developments in STI Surveillance Oral Session Live Q&A

Evaluating the Use of a Synthetic Dataset for Sexually Transmitted Infection Surveillance
Anne Trolard, MPH

The Distribution and Spread of Susceptible and Resistant Neisseria Gonorrhoeae Across Demographic Groups in A Major Metropolitan Center
Tatum Mortimer

Surveillance-Based Whole Genome Sequencing Of 1461 Neisseria Gonorrhoeae Isolates from The United States Gonococcal Isolate Surveillance Project (GISP) 2018: Monitoring Circulating Strains and Antimicrobial Resistance Determinants for Ciprofloxacin And OT
Vasanta Chivukula, PhD
Neurologic and Ocular Symptoms Three Months After Diagnosis and Treatment Among Early Syphilis Cases, New York City, 2016-2019
Robin Hennessy, MPH

What Are We Missing? Comparing 2016 Hospitalization Data to STD Surveillance Data for Neurosyphilis Diagnoses in The California Project Area
Nicole Burghardt, MPH

4:00 PM - 4:30 PM
Incidence, Prevalence and Cost Oral Session Live Q&A

Improved Methods for Estimating Bacterial STI Incidence and Prevalence from National Surveillance Data
Ian Spicknall, PhD, MPH

Can Diagnostic Codes in Health-Care Clams Data Identify Confirmed Chlamydial and Gonococcal Infections? A Retrospective Cohort Study, 2003-2017
Kerry Mauk, MPSH

How Much Syphilis Is Due to Reinfection? Data from Florida And Louisiana 2000-2018
Daniel Newman, MA

Pharyngeal Gonorrhea Among Heterosexual Men and Women
Stephanie McLaughlin, MD, MPH

Annual Out-Of-Pocket and Total Healthcare Costs for STD Treatment and Screening
Casey N Pinto, PhD, MPH, CRNP

Novel Strategies for Implementing STI Testing Oral Session Live Q&A

Life in The Fast Lane: Express STI Testing, Notification, And Treatment at The Chelsea Sexual Health Clinic, 2018-2019
Kelly Jamison

Scaling Up CareKit: Expansion of A Centralized Home HIV And STI Testing Service
Jenna Norelli, MPH

Role of Electronic Messaging in Timely Gonorrhea and Chlamydia Test Result Notification, Treatment Improvement and Patients Perceptions on Such Messaging – Findings from Louisiana
Mohammad Rahman, MBBS, MPH, PhD

Implementing Mycoplasma Genitalium Testing in An STD Clinic: The Seattle Experience
Lindley Barbee, MD, MPH

Thinking Outside the Clinic: A Roadmap for Engaging Young Black Heterosexually Active Men in Chlamydia Screening
Norine Schmidt, MPH

Agenda as of Friday, July 24, 2020
All Oral Sessions are Pre-Recorded. Please review before attending the Live Q&A.

3:00 PM - 3:30 PM
Finding what works: Identifying ways to improve Adolescent and Young Adult STI Screening and Care Oral Session Live Q&A

Expedited Partner Therapy Acceptance in A School Screening Program, New York City, 2014-2019
Nihar Sarkar, MBBS, MPH, MA

Anal and Oral Sex Behaviors Among Young Black and African American Men Who Have Vaginal Sex: Evidence of The Need for Extragénital Testing
Patricia Kissinger, PhD

Parent Engagement and Confidentiality in Publicly Funded Health Centers: An Oxymoron or An Opportunity for Adolescent STD Prevention?
Riley Steiner, MPH, PhD

STI Testing and Piloting of Home-Based Testing in An Online Sample of Transgender Women in The United States
Maria Zlotorzynska, PhD, MPH

Evaluating the Adaptation of a Chlamydia Expedited Treatment Program for Young Black Men Using Mixed Methods
Austin Jones, MPHTM

STI Epidemiology in Women and Infants Oral Session Live Q&A

Trichomonas Vaginalis And Adverse Birth Outcomes: A Systematic Review and Meta-Analysis
Olivia Van Gerwen, MD, MPH

Assessing the Burden of Infant Deaths Due to Herpes Simplex Virus — United States, 1995-2017
Jennifer Slutsker, MPH

Chlamydia and Gonorrhea Infections Among Women Receiving Universal Three-Site Screening In New York City Sexual Health Clinics: Data to Inform Extragénital Screening Strategies
Preeti Pathela, DrPH, MPH
Trend in Rates of Pelvic Inflammatory Disease Diagnosed Among Commercially Insured Women Aged 15-44 Years in The United States, 2009-2017
Guoyu Tao, PhD

HIV Sexual Risk Factors Among U.S. Women Who Engaged in Heterosexual Contact in The Past Year: Differences in Risk by Sexual Identity and Sexual Orientation Discordance
Lisa Lindley, DrPH, MPH

3:30 PM – 4:00 PM
Keeping up with the Times: Evolving Socio-Geographic Behavioral Risk Factors for STI's Oral Session Live Q&A

- Characteristics of Group Sex Events Among Us Men Who Have Sex with Men
  Brian Emerson, MPH, BS

- Changing Patterns of Sexual Behavior and STI Risk Among Men Who Have Sex with Men (MSM) In Seattle, 2002-2018
  Christine Khosropour, PhD, MPH

- Meeting Sex Partners Online, Syphilis, HIV And Drugs Among Black Gay and Bisexual Men (BMSM)
  Jacky Jennings, PhD, MPH

- Racial Differences in Online Dating App Use, Sexual Network Structure and HIV Serodiscordant Mixing
  Jessica Wagner

- Space-Time Clustering of Syphilis Among Key Populations in Baltimore City, Maryland from 2009 To 2018
  Brinda Desai, MHS

Novel Developments in STI Prevention and Management Oral Session Live Q&A

- A Double-Blind Randomised Controlled Trial of Antiseptic Mouthwash for Gonorrhoea Prevention: The Omega Trial
  Eric Chow, MApplSC

- At-Home Chlamydia/Gonorrhea Screening and Remote Video Counseling Among Male Couples
  Stephen Sullivan, MPH

- Case-Control Study to Evaluate the Effectiveness of a Serogroup B Outer Membrane Vesicle Meningococcal Vaccine Against Gonorrhea, New York City and Philadelphia, 2016–2018
  Winston Abara

Agenda as of Friday, July 24, 2020
Clinical Trial of Cefixime For the Treatment of Early Syphilis - Preliminary Results
Chrysovalantis Stafylis, MD, MPH

A De-Medicalized Model of Prep Follow-Up Facilitates High-Volume Prep Provision in A Sexual Health Clinic
Meena Ramchandani, MD, MPH

**4:00 PM - 4:30 PM**
**Breaking the Transmission of STI/HIV** **Oral Session Live Q&A**

Lee Warner

Doxycycline Prophylaxis Use Among Cisgender Men and Transgender Persons Who Have Sex with Men in Seattle
Julie Dombrowski, MD, MPH

PrEP Persistence and Retention Among Cisgender Women; Howard Brown Health 2018-2019
Nick Love

Low Partner Elicitation Index and Meeting Venues for Sex Partners Among People with HIV And Recent Sexually Transmitted Infections
Jamie Huang, MPH

Differences in Adolescent Condom Use Trends by Global Region
Emilia H. Koumans, MD, MPH

**Putting Policy Related Structural STI Interventions into Practice** **Oral Session Live Q&A**

Decline in HPV Infection Among Young Men Who Have Sex with Men Following Introduction of Gender-Neutral Vaccination in Australia: A Repeat Cross-Sectional Study
Eric Chow

Every New Beginning Comes from Some Other Beginning’s End: Impact Analysis of a Statewide STI Testing Program
Karen Nicosia, MPH

Automating Provider Reporting of Chlamydia and Gonorrhea to Public Health in Illinois And Oregon Clinics
Megan Patel, MPH

Breaking the Chain of STI Transmission in NYC With A "Quickie"
Andrea DeVito, MPH

Agenda as of Friday, July 24, 2020
Recommendations from Black Sexual Minority Men: Building Trust to Improve Engagement and Impact Of HIV/STI Research
Suzanne Grieb, PhD, MSPH
Thursday, September 24, 2020

All Late Breakers are Pre-Recorded. Please review before attending the Live Q&A.

11:30 AM – 12:15 PM

Late Breakers Live Q&A

A Randomized Trial of Azithromycin Vs. Doxycycline for The Treatment of Rectal Chlamydia in Men Who Have Sex with Men

Julia Dombrowski, MD, MPH

Diagnostic Performance of The BD Max Vaginal Panel Assay Compared to Treatment for Vaginitis and Vaginosis

Catherine Cammarata

Recent Anal Sex Behaviors and Sexual Positioning Preferences Among Men Who Have Sex with Men: Network Epidemiology of Syphilis Transmission 2019-2020

Casey Copen, PhD, MPH

Assessing the Sexual Health Service Landscape in Denver: Identifying Service Gaps and Technical Assistance Opportunities

Karen Wendel

Karin Bauer, MS, MA

Decreases in Reported STI Cases During the Time of Covid-19 In King County, WA: Decreased STI Transmission or STI Clinical Services?

Roxanne Kerani, PhD, MPH

Testing Times: ‘I Want the Kit’ (IWTK); An Online Platform for STI Testing During COVID-19

Johan Melendez, PhD

12:45 PM - 1:30 PM

Rapporteur Session

Plenary, Live

1:30 PM - 2:45 PM

Closing Ceremony

Plenary, Live
